

LOK SHIKSHAN PRASARAK MANDAL WARDHA'S

LOK MAHAVIDYALAYA WARDHA

Seven Day Residential N.S.S. Camp

Anji, Th., Distt: Wardha

19-25 January 2017

organized by

Lok Mahavidyalaya Wardha

in collaboration with

District Government Office, Wardha.

Report on Cashless India Programme

Programme Officer
National Service Scheme
Lok Mahavidyalaya, Wardha

(Dr. Pushpa S. Tayde)
Principal
Lok Mahavidyalaya Wardha

Prefatory Note

Lok Mahavidyalaya, Wardha is one of the leading institutions of Wardha district which caters to the need of higher education moulding the students personality in a responsible citizens of India. College has proactive NSS department running under the auspices of RTM, Nagpur University, Nagpur. I have been coordinating the unit since 2014-15 with the tireless and able support of Prof. Shatrughna Mankar who shared my hand in every responsibility.

The college has organised the Seven Day Residential NSS Camp during 19-25 January 2017 at Narasai Mata Temple, Anji(Mothi). The village was allotted for society based outreach activities under the Clean India Mission in 2014-15. When the first camp was organized total 400 residents had no toilet facility. The NSS volunteers continuously persuaded the villagers for the construction and use of the toilets. We received the positive response and after surveying this year, only less than 100 residents traced for having no facility. This year, the students visited the targets, persuaded them to build and use the toilets. The students brought about awareness and also provided the information of the Scheme of Government of Maharashtra. The expected results have been achieved and the target residents assured us to construct the toilets till the end of 31st March 2017.

The District Government Office, Wardha has initiated the Awareness Campaign for Cashless India Programme. The volunteers were divided in two teams Clean India programme. The volunteers were divided in two teams - Clean India Mission and Cashless India Programme. The volunteers visited the village residents and informed them of the importance and methods of cashless transactions. The entire households of the village have been visited.

The tireless efforts and guidance of Prof. Bhaskar Walke and Prof. Mahendra Sahare have helped us to achieve the satisfactory target of 215 residents on whose bank accounts, 2/- per person have been transferred. The operations of mobile banking, UPI, USSD, Mobile Banking, Wallets, Apps etc have been demonstrated during the visits.

Last but not the least, let me attract attention towards the notable difficulties and challenges faced during the campaign. The fluctuating poor Internet signal created the major stumbling block during the operation of online transactions. The unavailability of mobiles and smartphones with common people is another issue in making people know the features and operation of the digital banking. The use of debit cum ATM card in cashless transactions was also illustrated to them. The fear and anxiety of phishing and fraud was expressed in online transactions.

Though the challenges and problems sprouted, the volunteers proved the mettle through tough patience and unyielding attitude to impart the justice to the Herculean task. At last, I must express my sincere thanks to our patron, principal, friends, colleagues and to my dear students volunteers.
